- a) On the fall of the hammer, the highest bidder shall be deemed to have purchased the lot, assuming full responsibility for ownership and liability for payment of the Purchase Price.
- b) Placing a bid within the final **5 minutes** of an auction will automatically extend the closing time for that lot by **15 minutes for all users**. Bidders are solely responsible for monitoring auctions.
- c) **All confirmed bids are binding**, including where a bidder increases their own standing bid. No bid cancellations or removals will be permitted unless a clear technical fault in the system is demonstrated.
- d) In cases where a lot is offered with a **“Buy Now”** option, the first successfully paid and processed order shall be deemed valid. In the rare event of a duplicate order due to system error, Classic Arms reserves the right to cancel and refund the later transaction without liability.
- e) Classic Arms reserves the right to withdraw any property at any time prior to sale, to reject any bid, or to deviate from standard increments at its sole discretion in order to advance bidding fairly.

3. Payment Terms

- a) Payment of the Purchase Price must be made in full within **7 calendar days** of the auction by **EFT or bank-cleared funds**.
- b) No lots shall be deemed paid for until all monies due have been received in cleared funds into the Classic Arms Trust Account.
- c) Credit and charge card payments will incur a surcharge of **3.75% on the total Purchase Price including VAT**.
- d) If payment is not received within 7 days, Classic Arms may: cancel the sale, retaining as liquidation costs any amounts already paid by the purchaser; resell the property, holding the purchaser liable for any shortfall, costs, and interest at **prime +3%** until settlement.

4. Firearm Licensing

- a) The purchaser assumes full liability for ownership of firearms and payment of the Purchase Price irrespective of the granting or refusal of a SAPS licence or permit.
- b) If a licence is refused, Classic Arms may, at its discretion, resell the item on the purchaser's behalf at a subsequent auction. The purchaser remains liable for any shortfall, commissions, and costs, but shall receive credit for any net resale proceeds realised.
- c) No lot requiring SAPS licensing shall be released to any person or body not duly authorised to be in legal possession of said lot, unless all monies due have been settled in full.

5. Storage & Collection

- a) Purchasers must collect items within **6 months** of the auction.
- b) Thereafter, storage fees of **R200 per month or part thereof** will be charged, payable monthly in advance. Unless written arrangements are made.
- c) If a lot remains uncollected after **12 months**, Classic Arms reserves the right to resell the lot to recover storage and sales commissions. Any balance remaining shall be payable to the purchaser.

6. Notifications & Appeals

- a) Outbid or winning-bid notifications by **email or Telegram** are provided as a courtesy only and are **not guaranteed**. Failure to receive a notification shall not invalidate any auction result.
- b) Classic Arms provides a private **Appeals Process**: Appeals must be lodged within **48 hours** of auction close via the official Appeal Form. Appeals must include proof of error (e.g. screenshot or system error message). Where a valid appeal is upheld, Classic Arms may re-auction the lot in the next **Unsold Auction**. The decision of Classic Arms in respect of appeals shall be **final and binding**.

7. Consignor Protections

- a) Classic Arms shall deduct its commission and agreed expenses from the sale proceeds before paying consignors.
- b) Consignors will only be paid once cleared funds have been received from the purchaser.
- c) If a buyer defaults, Classic Arms may resell the lot, but consignors shall not receive proceeds until the lot is fully settled.

8. Reserve Prices

If a lot is offered subject to a reserve (a confidential minimum price required by the consignor), Classic Arms reserves the right to open bidding or to bid on the consignor's behalf in order to protect such reserve. Classic Arms shall not bid on the consignor's behalf above such reserve. **A consignor may not bid on any property consigned by themselves.**

9. Voetstoots & Warranties

All lots are sold “**Voetstoots**”.

All statements in the catalogue or other documentation as to authenticity, validity, authorship, period, culture, source, provenance, rarity, condition, importance or historical value are statements of opinion and are not representations or warranties.

No warranty is given as to the accuracy of rifles or clarity of optics.

10. Packaging, Handling & Transport

If Classic Arms undertakes packaging or handling of any lots on the purchaser's behalf, it is done entirely at the purchaser's risk.

Classic Arms shall not be liable for any acts or omissions of carriers or packers, including those recommended by us. Such carriers may carry their own insurance, and claims for loss or damage must be addressed directly to them.

11. Liability & Force Majeure

If, for any reason beyond our control (including but not limited to fire, theft, acts of God, insurrection, internet outages, cyberattacks, or technical failures), Classic Arms is prevented from delivering the property to the purchaser, liability shall be limited only to the sum actually paid by the purchaser.

Classic Arms accepts no liability for any losses of whatsoever nature caused by legislative changes relating to possession of firearms or ammunition.

12. Governing Law & Dispute Resolution

These Conditions of Sale and the respective rights of the purchaser and Classic Arms are governed by the laws of South Africa.

Any dispute shall first be referred to private arbitration under the rules of the **Arbitration Foundation of Southern Africa (AFSA)**, with costs shared equally.

Failing resolution, the Magistrate court of South Africa shall have jurisdiction. Subject to financial limitations of the Magistrate court.

These Conditions of Sale bind the successors and assigns of all bidders and purchasers.

No waiver, amendment, or modification (other than published notices or oral announcements during the sale) shall bind Classic Arms unless specifically stated in writing.

13. Absentee Bids

As a service to bidders unable to attend an auction, Classic Arms may, at its sole discretion, accept bids in advance of sale by telephone or in writing using the official bidding forms.

“Buy” bids will not be accepted.

All absentee bids must state the maximum (excluding buyer's premium and taxes) that the bidder is willing to pay.

In the event that identical absentee bids are received, the first bid received shall take precedence.

Classic Arms accepts no responsibility for not executing any absentee bid for any reason whatsoever.

14. Estimates

As a service to clients, Classic Arms furnishes presale estimates for all lots.

These are intended as guides to current market value and represent no warranty to bidder or seller.

15. Sale Increments

The following increments apply to all lots bid for (subject to auctioneer's discretion to deviate for fairness):

R0 – R500 : R50 increments

R501 – R1,999 : R100 increments

R2,000 – R4,999 : R250 increments

R5,000 – R9,999 : R500 increments

R10,000 – R19,999 : R1,000 increments

R20,000+ : R2,500 increments

16. Export Clients Only. There is a standard SAPS export fee of R500, along with an additional fee of R3000 for any Antique fire-arms that would need to be exported. This is a fee payable to S.A. Heritage Resources Agency to inspect antique firearms before export permit approval may be obtained. It is a flat fee regardless of the number of firearms. Please contact admin2@classicarms.co.za for an Export invoice to begin processing your documents that would be needed to start the Export Application.
