Mauser banner replicated on the hard rubber grips. Some loss of finish to sides of slide, rest good original condition.	
D044	7.63mm "Bolo" Broomhandle Mauser Pistol & Stock	R 17500.00
	Manufactured 1921-31. A 10 round integral box magazine which was charger loaded, short 4"/100mm barrel and adjustable rear sight. Fair bore. Matching numbers including stock. . Pistol is in exceptionally good original condition with 95% original bluing overall and crisp straw bluing to extractor, sight slide etc. Very good original condition.	

D045	7.63mm Broomhandle "Large-Ring Hammer" Mauser Pistol & Stock Serial number 316XX indicates 1902-1903 production. A 10 round integral box magazine which was charger loaded, 5,25" barrel and adjustable rear sight out to 500m. Matching numbers but for stock which is very close in terms of numbers. Large ring hammers were phased out of production shortly after this piece was produced, making them relatively scarce. Pistol is in exceptionally good original condition with 95% original bluing overall and crisp straw bluing to extractor, sight slide etc. Fair bore.	R 19500.00
D046	7.63mm Mauser Broomhandle Pistol Serial number 828XX indicates 1905 manufacture. Matching numbers. A 10 round integral box magazine which was charger loaded, 5,25" barrel and adjustable 1000m rear sight. Gun appears to have been refinished at some stage, all markings are still very crisp. Fair bore.	R 11500.00
D047	7.63mm Broomhandle Mauser & Stock Matching serial numbers to pistol. Serial no. 131308. A 10 round integral box magazine which was charger loaded, 5,25" barrel and adjustable rear sight. Ribbing on grips displays considerable wear. Pistol appears to have been reblued at some stage of it's life. Fair bore, fair to good overall condition.	R 14500.00
D048	7.63mm "Bolo" Broomhandle Mauser Pistol & Stock Serial number 4994XX indicated post WW1 production. Manufactured 1921-23. All matching numbers to pistol and stock. Short 100mm/4" barrel and shorter grip. Side of frame and knock form of barrel marked to "Waffenfabrik Mauser Oberndorf A. Neckar." Straw blued trigger, extractor, safety and sight slide. Pistol is in very good condition but for some light holster wear to sides of receiver housing. Wooden shoulder stock. Excellent condition.	R 18500.00
D049	7.63mm Mauser "Bolo" Broomhandle Pistol Serial number 6846XX indicates a late post WW1 production model, 1923 to 1930. All matching numbers to pistol. Short 100mm/4" barrel and shorter grip. Side of frame and knock form of barrel marked to "Waffenfabrik Mauser Oberndorf A. Neckar." Straw blued trigger, extractor, safety and sight slide. Pistol has been refinished and some definition lost to the markings on the side of the frame, some wear to the grips. Refinished.	R 11500.00
D050	7.63mm "Bolo" Broomhandle Mauser Pistol Manufactured 1921-23. A smaller variant of the traditional "Broomhandle" with a 3,9" barrel and smaller grips with 20 grooves to them. Pistol has been reblued, has a fair bore and the magazine spring has broken and been rewelded. The shoulder stock/holster also appears to be of a later type. Fair overall condition.	R 9500.00
D051	7.65mm Mauser Mod 1914 Pistol Serial number 4258XX. Manufactured 1914-1934. Pistol has long extractor, hump removed from slide, chequered wooden grips, fire blued trigger. Barrel length of 3,4" and 8-round magazine. Good original condition but for some very light pitting to left hand front of slide.	R 2500.00
D052	9mmk Mauser HSC Double-Action Pistol One of 5000 produced, hence serial number 078X/5000. One of a run of commemorative models. In original black leather military type holster. A 7-round pocket pistol with a 3,4" barrel manufactured 1938-1945 and from 1968 to date. Good original condition.	R 5500.00
D053	9mmk Walther PPK Commemorative Pistol - Cased In factory presentation case. Pistol comes with a factory certificate confirming that it is one of the last 500 Walther PP/PPK pistols ever produced, dated December 1999. The first Walther ever was produced was in 1929 and there is a brass plaque confirming the milestones in Walther PP/PPK production. Slide of pistol is marked "Last Edition 1931-1999". Pistol appears to be unfired and is in mint condition. Includes spare magazine.	R 4250.00
D054	9mmk Beretta Mod 1934 Pistol Manufactured 1934-1959. The mod 1934 was the official sidearm of the Italian armed forces and featured a 7-round magazine and 3 3/8" barrel. Manufactured 1938. "R.E" marking to top of frame indicating Italian Army issue. Matching numbers. Good overall condition.	R 3500.00
D055	9mmp Star BKM Pistol - Holster Manufactured 1976 to 1992 with a 3,9" barrel, alloy frame & 8 round magazine. Includes velcro belt holster & spare magazine. Good original condition.	R 3250.00
D056	9mmp Llana Omni III Pistol Double stack thirteen round magazine, single or double action trigger, hooked trigger guard, 4,25" barrel, adjustable rear sight. Highly polished deep blue finish. Two spare magazines. Scarce, extremely good original condition.	R 4500.00
D057	9mmp Astra Mod A-75 Compact Pistol The Model A-75 features an 8-round. Single stack magazine and 89mm barrel with a double trigger mechanism. Matt non-glare finish. This pistol was later manufactured in SA by Republic Arms and sold as RAP 401. Numbers of them were purchased by the SAP and are still used by detectives and admin personel. One spare magazine. Good used condition.	R 3250.00
D058	9mmp H&K VP70Z Pistol - Boxed In manufacturer's hard plastic case with spare magazine. One of the first hi-capacity polymer framed pistols with an 18 round mag capacity & 4,5" barrel. Manufactured 1972-1986. Good to good plus original condition.	R 3850.00

D059	9mmp Musgrave Pistol Pistol takes a 15-round. Beretta M92 magazine with heel release. The intention was to build a low cost handgun with the minimum number of components but the firearm was not a success and are seldom encountered. Barrel length of 115mm/4,3". A straight blowback pistol with a polymer frame. Pistol appears to be unfired.	R 9500.00
D060	.40s&w Vektor SP2 Sport Pistol - Boxed Pistol is in manufacturer's box with spare magazine. The SP Sport model was designed for the sport shooter and was fitted with a longer 118mm barrel & compensator and a single-action only trigger. Magazine capacity of 11 rounds. Frame has been drilled and tapped for a tactical mount and an extended compensator fitted. Extended muzzle brake to barrel. Various other spares included, hammer, extended cocking piece and spring. Good working order.	R 7500.00
D061	9mmp Steyr Mpi 89 HMC Manufactured by Steyr-Daimler-Puch A.G. Made in Austria. Adopted by the Austrian army in 1969, production terminated in 1990. Equipped with factory mounts & optical scope as used on the Steyr Aug rifle. Telescoping stock, 32 round. magazine which is very similar to the Walther HMC magazine, telescoping bolt on the Uzi lines, barrel length of 10". Included are 6 spare magazines. All in very good condition.	R 9500.00
D062	9mmp Rhodesian Cobra/Scorpion Pistol Pistol concept variant of the Cobra named the Scorpion was intended for single handed firing, the pistol had no stock and a shortened 165mm barrel. Designed by Tommy Steele and manufactured by Stellyte Arms Co. Ltd of Bulawayo, the Cobra was first revealed to the public in April 1977. Whilst 3000 of the Cobra's were produced, production of the Scorpion was very low and it is very seldom encountered. Black finish to pistol which is in very good condition.	R 9500.00
D064	9mmp BXP Hand Machine Carbine Includes suppressor, flash hider and spare magazine. Underfolding stock. Produced in SA by Milkor, designed by Andries Piek. The BXP has a 32 round magazine, a 208mm barrel and fires from a closed bolt. Good to good plus overall condition.	R 7500.00
D065	12ga Neostead Combat/Defense Shotgun A revolutionary design, the S.A. designed and built was designed by Tony Neophytos with the first wooden mock-up in March 1990. Tony teamed up with Heyn Stead and Willie Pelsler and the name "Neostead" was given to the gun being a combination of Neophytos and Stead. The gun features a double under-barrel magazine and a forward moving barrel. Manufacture was done by Truvelo and has an overall length of 690mm, a reverse pump-action mechanism and a magazine capacity of 12 rounds. There were a total of 304 Neosteads built. Excellent condition.	R 15000.00

CATEGORY F ~ COLLECTOR LONGARMS

Lot	Lot Description	Estimate
F001	.223rem FN Scar 16S Rifle + Suppressor Includes Swedish Aimsport Triton 42 11 suppressor. Rifle has a barrel length of 14", magazine capacity of thirty rounds, short stroke gas system, military standard accessory rails at the 3,6,9 & 12 o'clock positions. Adjustable folding front sight & folding/removable rear back-up iron sights. Telescoping side folding stock can be adjusted for length & cheek piece. Ambidextrous selector lever and adjustable gas regulator. A state of the art semi-automatic rifle in excellent condition.	R 85000.00
F002	7.62x39mm Czech VZ58 Service Rifle First introduced in 1959. The rifle has a similar appearance to an AK47 but is quite different in design with a bolt which is locked to the receiver by a vertically moving block. Plastic fixed stock, barrel length of 16", weight approx 7 lbs. Receiver is coded "she 78". Good original condition.	R 14500.00

F003	7.62mm FN "Short" Folding Stock Rifle Type 1, Pretoria Denel built rifle with folding stock and short 14" barrel with an AKMS/U type muzzle brake which greatly improves cycling with the short barrel. Sliding rear sight which was standard on the SA issue rifle. Rhodesian type aluminium cocking handle. Rifle is in very good refinished condition, including a good bore.	R 32500.00
F004	7.62mm FN Heavy Barrel Service Rifle Commonly known in SA as the " Heavy barrel rifle ", the factory designation was the " Falo " and was used as a squad automatic weapon by both SA and Rhodesian troops. The HB weighed 6kg, with a folding bipod as opposed to 4,25kg on the standard issue Fal/R1 model. Where-as all SA made R1 rifles were built on the Type 1 action, the HB's were produced from 1961 onwards on the strengthened Type 2 action which was better suited for sustained full-auto fire and is still in use today. The HB's were issued with 20 & 30 round magazines. It is available in wooden stocked variants with a folding shoulder rest or the standard synthetic stock. The HB also has a larger carrying handle which is reversed to better handle the increased weight. Good plus bore. Very good plus overall condition. Semi-auto only.	R 37500.00
F005	7.62mm FN Para-Fal Service Rifle Rifle is equipped with an 18" barrel, adjustable rear sight as was standard on the SADF issue R1 and is built on a Pretoria made type one action which has no identifying marks to it. Denel built many such rifles so as to give themselves a measure of " deniability " when it came to clandestine supply operations. A large number of these unmarked rifles were supplied to Rhodesia by the SADF. Very good refurbished condition, good bore.	R 32500.00
F006	7.62mm R1/FN-Fal Rhodesian Bush War Service Rifle An unmarked South African built type one R1 rifle with matching numbers to upper & lower receivers. Lack of markings was done to ensure " deniability " by SA authorities. Recognition is done by means of the Pretoria proof mark below the receiver. Typical Rhodesian aluminium replacement cocking handle, the SA built one did not stand up the Rhodesian "para-dropping" fireforce activity. Rhodesian bush war camo finish, rifle still retains a fair amount of camo. Fairly good bore.	R 16500.00
F007	7.62mm FN/R1 Service Rifle Refurbished rifle with no markings to it, a South African built Type 1 R1 rifle for supply to Rhodesia with no identifiable marks to it. Horizontal take-down lever. Rifle is in good refurbished condition with good bore.	R 22500.00
F008	7.62mm L1A1 SLR Service Rifle - Cased Wooden cased with five extra magazines. British " Inch " version of the FN-Fal rifle. Made in semi-auto only configuration. Standard service rifle of the British army from 1954 to 1988. Receiver marked "rifle 7,62mm L1A1" Differs in the following respects from the Belgian FAL. 1) Folding cocking piece. 2) Wooden fore-end and grip. 3) Dust grooves to bolt carrier. 4) Different foresight guard. 5) Folding rear sight. Good condition. Wooden butt, pistol grip & fore-end + service issue sling. Good overall.	R 22500.00
F009	.30/06sprg Browning M1918/A2 BAR LMG Curently semi-auto only, the BAR saw some service in the closing stages of WW1 but it was not adopted as an LMG by the US army until 1938. Manufactured by I.B.M. Corp. Includes bipod. Barrel of 24"/610mm. Manufactured 1917 - 1945. Rifle is excellent original condition with a good bore	R 35000.00
F010	.30/06sprg Springfield Armoury 30 M1D Garand Service Sniper Rifle Serial no\8773xx, manufactured September 1942. Springfield Armoury manufacture. Issue mounting block for scope sight on the rear of the barrel. It utilised the Model 92 scope. Excellent condition, fairly good bore.	R 15000.00
F011	7.62x54R PSL Sniper Rifle - Scoped Rifle is equipped with PSOP scope on official mounts. Manufactured 1975. Left hand side of stamped receiver is marked " fbyf ". Wooden stock shows expected carrying wear from a bush war veteran, otherwise good original condition. Good bore.	R 125000.00
F012	7.92x57mm Zastava M76 Sniper Rifle + Accessories Issued as the standard Yugoslav sniper rifle, the rifle manufactured in 1993 comes with numbered bayonet, matching numbered scope & mount with a night vision facility, scope cover, an accessory pouch with spare magazine and cleaning equipment, plus issue sling. It is a copy of a Soviet AKM in 8x57mm caliber and has a 21,5" barrel and wooden butt. Rifle is in " as new " condition.	R 45000.00
F013	5.56mm Enfield SA80 S/Auto Bullpup Service Rifle Complete with issue Trilux optical sight. Very scarce first model variant. All of those in British service have been upgraded to current L85A3 status. First adopted in 1987, there were a number of teething problems encountered with it and the SLR L1A1 was regarded as a more functional rifle. Barrel length of 20,4". The rifle reputedly came out of Mozambique where it was in the hands of British SAS troops guarding the Cabora Bassa dam/generating plant from attacks by Renamo rebels. Good bore, good original condition.	R 130000.00

- F014 .410 Belgian "Poachers" Folding Hammer shotgun R 1750.00**
Barrels of 29,5", side operating lever, side knob allows barrels to fold completely. Case-hardened action, straight wrist stock with chequering to wrist & fore-end. Some light pitting to bores, rest good original condition.
- F015 12ga Chas Osborne S/S Hammer Shotgun R 2950.00**
Nitro-proofed 30" barrels which are choked 1/4 & 3/4. Bar action locks, chequered wrist and fore-end with a 15" L.O.P. Stock has been professionally refinished. Good overall condition with good bores. Scarce to find a nitro-proofed hammergun.
- F016 12ga William Kavanagh S/S Shotgun R 3250.00**
Boxlock non-ejector with nitro-proofed steel 30" barrels which are both choked full. Scroll engraving to action. Barrels are marked to "W.Kavanagh & Son 12 Dane St. Dublin". Well figured butt with extension to the butt giving a 14,5" L.O.P. Butt has been professionally refinished. Bores are relatively good overall condition. Kavanagh was established in Dublin in 1796 and traded until 1922. They specialised in sporting weapons of "excellent quality & high finish".
- F017 12ga Webley & Scott S/S Boxlock Ejector Shotgun R 14500.00**
Steel nitro-proofed barrels of 30" which are choked full & half. Barrels marked "Webley & Scott Birmingham". Extensive engraving to colour case-hardened ejector action. Well-figured straight English styled butt with a 15" L.O.P. Excellent bores, tight action, good plus overall condition.
- F018 12ga Joseph Lang "12/20" Sidelock S/S Shotgun - Cased R 27500.00**
In lightweight leather hard case with "Joseph Lang" label to inside of lid. Sidelock, ejector, No.2 of a pair with 30" barrels marked "Joseph Lang & Son 10 Pall Mall London". A light weight 12ga with a weight of 5,95lbs. Particularly well figured stock which has been professionally refinished. Full rose & scroll engraving to lockplates and action. All in very good condition but for some light pit marks to right hand barrel ahead of the chamber. The firm of Joseph Lang was established in 1821 and integrated with Stephen Grant in 1915. The firm is still trading today as Atkin, Grant & Lang.
- F019 12ga Greener S/S "Wildfowling" Boxlock Shotgun R 2950.00**
Built on the longer A&D styled "Empire" action with crossbolt and straight back, introduced in 1939. Long 33,75"/860mm steel barrels nitro-proofed 1 1/4 oz. load, side safety and L.O.P. of 14,25". A grade "E10" gun. Wear to finish on bluing, some light scratches to woodwork, good bores, good overall condition.
- F020 12ga MacNaughton Round Action S/S Ejector Shotgun - Cased R 95000.00**
In brass cornered leather case with original MacNaughton label in the lid of the case, the interior of which has been professionally refinished. Case contains the following accessories: Nickered oil bottle, stuck case extractor, snap caps, leather bound cleaning kit (various brushes/bristles), hardwood cleaning rods and four different ebony handled turnscrews. A Damascus barreled nitro-proofed gun with an exquisite pattern to the 30" barrels which have excellent bores. Unique round action with full scroll engraving to action & tangs. Tang mounted safety which operates to the side rather than with a conventional up/down motion. Back of the action is marked "MacNaughton Edinburgh". Well figured stock straight English styled wrist. Butt has had a 1" extension added to it to give a 15" L.O.P. Gun is tight on the face with no play whatsoever. All in extremely good condition. MacNaughton first started in business in Edinburgh in 1864 developed his "Edinburgh Patent Hammerless Ejector" action in 1879, a slick lever cocking double which is still highly regarded by experts today. Dicksons acquired the company in 1947.
- F021 12ga Beretta A301 Semi-Auto Field Shotgun R 4950.00**
Ribbed barrel of 28" which carries the "Musgrave" name. High gloss varnish finish to walnut stock with chequered wrist & fore-end. L.O.P. of 14,75" Engraved action. Includes instruction manual & warranty. Excellent condition including bore.
- F022 12ga Franchi Semi-Auto Field Shotgun R 3250.00**
Ribbed barrel of 26" "Poly-choke" variable choke fitted. Chequered wood and fore-end, ventilated recoil pad to walnut stock with a 15" L.O.P. Good original condition, including bore.
- F023 12ga Remington Mod 48 "Sportsman" Semi-Auto Field Shotgun R 2750.00**
Ventilated rib 22" barrel with "Polychoke" muzzle brake and three x separate choke tubes included as well as attachment spanner. Chequered wrist and fore-end to walnut stock with a 14,5" L.O.P. Dark matt finish to metalwork. Good overall condition.
- F024 8ga T.Bland & Sons "Wildfowling" Shotgun R 12500.00**
Single barrel hammergun with 41,5" damascus barrel, nitro-proofed for 2 oz loads. Back-action sidelock with lockplate marked to "T.Bland & Sons". Walnut stock with chequered wrist & fore-end, Silvers recoil pad to butt giving a 14,75" L.O.P. Serial no. 16739 indicates the gun was manufactured between 1900 & 1918. Bland was active as a gunmaker in 1832 and the Co. was established in 1840 and was well known for their wildfowling guns. Gun is in exceptionally good condition with an immaculate bore. It would appear to have been very little use. Cases are available for those who want to reload.

F026	.308win Mauser M66 Rifle Mauser telescoping compact action. Open sights to 23,5" barrel which also has scope mounting rib to it. Double set trigger. Dark fore-end tip, chequered wrist and fore-end to Monte-Carlo styled stock. Very good overall condition.	R 4500.00
F027	.243win Sako Forester "Deluxe" Rifle The Deluxe model features a fancy french walnut stock with skip-line chequering, rosewood fore-end tip and pistol grip, recoil pad and silver inlaid trigger-guard and floorplate. Five-round magazine, 23" barrel. Excellent condition including bore.	R 14500.00
F028	.25-20win "R.Mueller" Krupp Bolt Action Rifle A German trade made rifle for "R.Mueller of Cape Town". Barrel is marked "R.Mueller Cape Town" & ".25 H.V. Krupp steel Made in Germany". Three leaf express type rear sight & ramp foresight to 25" barrel. Swivelling box type magazine with floorplate that is marked "D.R.P D.R.G.M & U.S.A. Patent". Walnut stock with finely chequered grip and cheekpiece to butt. Chipped buttplate. Good bore, good overall. The firm of "R.Mueller" was active in Cape Town in the 1920's & 1930's importing a considerable variety of German made firearms, in particular Sauer & Mauser. WW2 put a stop to that trade.	R 3750.00
F029	.270win Musgrave Rifle Open sights to 24,5" barrel. Built on the Portuguese Mauser Espingarda 1904 action. Chequered wrist and fore-end to walnut stock. Custom Built by Musgrave. Mint bore.	R 3950.00
F030	7mm rem mag Blaser Mod R84 Rifle Includes scope mounting base & rings. Barrel length of 24". Quick change barrel option. Matt silver finished receiver with hunting scenes engraved to both sides. Two piece walnut stock, three round magazine. Good plus bore. Excellent condition.	R 29500.00
F031	.300sav Savage Mod. 99 Lever-Action Rifle Serial no. 1551XX. Wooden pistol-grip type stock with chequered wrist and fore-end. Very little blue remaining to action, faded blue to 24" barrel which carries open sights. Fair to good overall, fair bore.	R 2950.00
F032	.308win Sako "Forester" L579 Rifle - Scoped Fitted with Tasco 4X40 scope on Lynx two-piece mounts. Open sights to 23,5" barrel, typical square sided Sako stock with chequered wrist & fore-end. Excellent condition, including bore.	R 13500.00
F033	.303br Mauser 98 Sporting Rifle Rifle has a 35" octagonal barrel with a fine windage adjustable rear sight graduated to 1800mm and a fine windage adjustable shrouded foresight. Rifle is on an Oberndorf Mauser sporting action, pre-1924, which is marked "Waffenfabrik Mauser Oberndorf a/N". "Krupp Stahl" marked barrel. Stock has a Schnabel tip, fore-end wedge, "Afrika" style side-panels, semi-rounded pistol grip, cheek piece, horn butt plate and carries an escutcheon oval to the bottom of the stock. Fairly good original condition overall. Fair bore.	R 12500.00
F034	.303br Lee-Speed Sporting Rifle By BSA Pre-1898 Butt socket marked "Lee-Speed Patents B.S.A. & M Co.". Barrel of 30" with eight leaf rear sight carries "BSA" piled arms trademark to the knox form. Correct sporting action with border engraving does not have the volley sight cut-out found on military rifles and it also has the flat bolt handle and expected safety to the rear of the bolt. Dust cover plate is marked "Specially made for G. F. Dall". Five round magazine. Horn fore-end tip, chequered pistol grip wrist and steel butt plate to well-figured stock. Expected wear to bore, rest of rifle in good condition.	R 7500.00
F035	8x57JS Mauser M98 Full Stock Carbine Full-stock to 20,5"/530mm barrel carrying open sights. Steel nose-cap & sling mount. Butter-knife bolt handle. Stock has chequered wrist and fore-end, cheekpiece to butt. WR number professionally engraved to receiver. Good overall condition including bore.	R 6750.00
F036	9x57mm Mauser M98 Sporting Rifle By J.P Sauer & Sohn Made by J.P. Sauer & Sohn for "R. Muller of Cape Town". Barrel rib marked. Typically German styled sporting rifle with ribbed octagonal 30,75" barrel carrying tangent style rear sight & bead fore sight. Produced in the 1930's. Good original condition. Fairly good bore.	R 6500.00
F037	.303br Mauser M98 Full Stock Sporting Rifle By "Stogos" of Suhl Rifle is unusual in that it is a full-stock sporting rifle with provision for mounting a bayonet to the muzzle. Octagonal barrel of 30" which is marked "Stogos Suhl" & "Krupp-Laufstahl" and carries a ramp foresight and tangent type rear sight. Chequering to fore-end, straight hand grip. Bore is in reasonably good condition. Overall good original condition.	R 8500.00
F038	.375H&H mag Take-Down Rifle By Holland & Holland Built on a M98 Mauser action which is drilled and tapped for scope mount bases and has knurling to front & rear of receiver. The 24" (610mm) round tapered barrel has a ramp front sight and a standing V sight to tapered rib. The bore is excellent. Drop magazine floorplate. Stock has a single cross-bolt under the breech, straight-grained walnut with colour and figure, butt is fitted with a Silvers pad, making the LOP 15,5", chequering to 22LPI to panels on pistol grip sides and a wrap-around forearm with horn tip. VVGC. Excellent bore.	R 125000.00

F039	10.75x68mm A-Type Mauser Rifle	R 50000.00
	Manufactured 1930-31. Typical A-type configuration with 24" barrel, banded fore-sight, barrel band swivel and five leaf rear sight. Knurling to top of receiver and drop magazine floor plate which is marked "Made in Germany". Stock has horn fore-end tip, wrap-around chequering to both fore-end and pistol grip, cheek piece to butt and red Silver's recoil pad fitted. Matching numbers. Metalwork appears to have been professionally refinished and rifle is in particularly good overall condition. Good bore.	
F040	.416rig Rigby Rifle - Scoped	R 195000.00
	Equipped with Leupold VX-6 1-6x24mm scope with 30mm tube and second focal plane reticle on Austrian swing-off QD mounts. One of the new build Rigby's on magnum Mauser action. Exhibition grade walnut stock. Medium-weight 24" barrel with Rigby express rear sight and ramp front sight. Engraving on top of barrel reads "John Rigby & Co. 43 Sackville St. London. W." On the receiver ring is engraved ".375 Magnum Rigby-Mauser". All is in "as new" condition. New price for rifle, scope & mounts would be in the order of R280 000.	
F041	.500N.E. Double Rifle by I.Hollis & Sons - Cased	R 350000.00
	In leather trimmed hard canvas case. A boxlock, non-ejector with 26" barrels marked to "I.Hollis & Son's London", carrying a ramp foresight and three leaf rear sight on mounting rib. Rifle is built on a Webley action with Greener crossbolt, double lugs and disc-set strikers. Barrel flats are marked "Cordite 75-570max & 500ex". Colour case hardened action. Well figured stock with ebony tip & wrap-around chequering to fore-end, fine chequering to wrist which is equipped with a steel grip-cap and a solid red Silver's recoil pad giving a L.O.P of 15". Rifle is in exceptionally good condition with good bores.	
F042	.600ne Verney Carron "Azur Imperial" S/S Double Rifle	R 550000.00
	The "top of the range" boxlock model with exhibition grade walnut stock and fully engraved & bolstered action. Hi-viz fore sight and three leaf express rear sights to 25" barrels. Fine 24 L.P.I chequering to fore-end and wrist, shadow line cheek piece and 15,25" L.O.P. over exhibition grade stock. Rifle is in mint "as new" condition.	
F043	6.5x54mm Mannlicher-Schoenauer Take-Down Rifle By James Woodward & Sons - Cased	R 24500.00
	In leather, brass cornered rifle case complete with instruction label to lid. Open sights to 23" barrel which is marked to "James Woodward & Sons, 64 St. James's Street London". Receiver ring is marked "made In Austria Patent Mannlicher Schoenauer M1903". Takedown hook to tang of action. Rifle has a good bore and is in particularly good original condition with crisp markings to the rifle. Includes 50 rds of ammo loaded by OPM with 140gr. Sierra Game King bullets 39 cases of 6,5x54mm new Norma brass & 12 x fired cases.	
F044	.22lr Anschutz Rifle - Scoped	R 7500.00
	Fitted with Tasco 6-24X 44 scope. Muzzle of 22,5" barrel threaded for suppressor. Chequered wrist and fore-end, five round detachable box magazine. Very good plus condition including bore.	
F045	.22lr Unique "Combo" Gun - Scoped	R 5500.00
	Equipped with a 4X Custom .22 scope. Included are both 3" pistol barrels and 18" rifle barrel as well as a spare hi-capacity magazine. Overall in good plus condition including bore.	
F046	.22lr BSA Martini International MkII Target Rifle	R 4500.00
	Heavy 29" barrel, broad fore-end of 16" with round container holding various fore-sight inserts, left hand cheekpiece to target profile stock. Heavy 12.12lb. weight. The last target rifle built by BSA, it was regarded as the best of the lot. Some light scratches/dings to woodwork, some light fading to blued finish, good overall condition including bore.	
F047	.22lr Brno Mod 2 Rifle - Scoped	R 5000.00
	Fitted with "Ultraoptec MT 3-9x40" scope. Five round detachable box magazine, open sights to 24" barrel, rear sight blade has been removed to make way for the scope. Rifle proofed 1973. Very good condition including bore.	
F048	.22lr BSA Martini Target Rifle	R 2950.00
	Tunnel foresight to 29" barrel, Parker-hale PH7A target peep sight with adjustable diopter. Long fore-end of 16,5" with brass circular holder for foresight elements. Fore-end has had circular grooves cut into it for a more secure hold. Good overall condition.	
F049	.22lr BSA "WD" Trainer Rifle	R 1850.00
	Full-stock variant with open sights & winged rear sight protector to 24" barrel. Good overall condition, poor bore.	
F050	.22lr Walther "Sportmodell" Target/Training Rifle	R 5500.00
	Military styled trainer marked "Walther Sportmodell" to barrel and "Waffefabrik Walther Zella-Mehlis Thuringen" signifying pre-WW2 manufacture. Relatively heavy 25,5" /650mm barrel carrying tangent type rear sight marked to 200m. Military styled full-stock with cleaning rod and military styled sling cut-out to butt. Good original condition with some expected light dings/scratches to woodwork. Good bore.	
F051	.22lr Gevarm Semi-Auto Rifle	R 1500.00
	Heavyish profile 19" barrel, receiver grooved for scope mounting, Schnabel tip to walnut stock, five round detachable box magazine. Some light scratches to woodwork, metalwork in very good condition. Rifle is made of wood & steel with no plastic components to it. Good bore.	

F052	.22lr Lee Enfield S.M.LE. Training Rifle Built for training purposes, the No.2 Mk IV was designed to replicate the .303 S.M.L.E. but for the magazine which was an empty shell. Good Overall condition, good bore.	R 11500.00
F053	.22lr Winchester Mod 63 Semi-Auto Rifle Takedown rifle manufactured 1946. One of the later series rifles with a 23" barrel, open rear sight, bead fore-sight, unchequered walnut pistol-grip stock. Introduced 1933, discontinued 1958. Rifle has been professionally reblued with crisp lettering to rifle. Good overall condition, including bore.	R 4500.00
F054	.22lr Mauser Mn410B Sporting Rifle Light weight sporting rifle with 23,5" barrel, tangent rear sight, Schnabel tip to fore-end and Mauser banner to butt. Serial number indicates 1934 manufacture. Sundry light dings & scratches to stock, which still features the Mauser banner with original Mauser buttplate. Metalwork in good original condition including bore.	R 5500.00
F055	.22lr Krico Bolt-Action Repeating Rifle Open sights to 21" barrel, muzzle threaded for a suppressor. Receiver grooved for scope mounting. Five round box magazine. Beech wood stock. Very little finish remaining to triggerguard. Fair to good overall condition, including bore.	R 2250.00
F056	9.3x72R/16ga Krupp Drilling Barrels of 26,75" with 14,25" L.O.P. Round action with under-lever operation. Barrel selector on top tang. Greener type side safety. Cocking indicators. Barrels are marked to " Gott Hilfe v. Nordheim Mehlis ". Artistic Deer scene engravings to both sides of action. Chequered wrist & fore-end, shadow line cheekpiece to butt. Gun has good bores and is in particularly good, professionally refinished condition.	R 30000.00
F057	8X57Rmaus/12ga Krupp Drilling Barrels of 29,5" with two-leaf pop-up rear sight. Greener type cross-bolt & side clips to top-lever action which is extensively engraved and features scalloped backs. Greener type side safety and barrel selector behind the top lever. Semi-pistol grip stock with cheekpiece, chequered wrist & fore-end. Horn butt plate. Good bores. All in very good professionally refurbished condition	R 25000.00
F058	9.3x72R/16ga Hammer Drilling By H C Sherping Hammer gun with back action side locks and side-lever action. Top lever barrel selector. Barrels of 28". Chequered fore-end and pistol-grip, cheekpiece to butt which is fitted with a steel butt plate. Woodwork has been professionally refinished, metalwork is untouched and apart from a slight fading to finish is good original condition. Fairly good bores.	R 9750.00
F059	.450W.R No.2 Musket/12ga Hammer "Capegun" by A. N. White Leaf & ladder rear sight to 30" barrels which are marked " Made in England for A.N.White Grahamstown ". Black powder proofed. Engraved bar action sidelocks, pistol grip type stock with horn buttplate and escutcheon plate to bottom of butt. Worn chequering on both wrist & fore-end. Greener type lock to action. Fair to good overall.	R 2250.00
F060	.360 Rook Single Shot Rifle By Mortimer & Son Pre - 1898 Made by " Mortimer & Son 86 George St. Edinburgh ". Three leaf rear sight to 27" octagonal barrel. Jones rotary under-lever action with hammer to back-action sidelock. Horn fore-end tip & gripcap. Chequered wrist and fore-end. Silver presentation shield to butt which is marked " Presented to By The Officers of 1st Caithness Volunteer Artillery To Colonel G.R. Dason on his resigning The Command Of The Corps. 11th June 1892 ". Rifle is in good original condition with a high percentage original blue remaining and a fairly good bore.	R 6500.00
F061	.577/450 Field Martini-Henry Sporting Rifle Pre - 1898 Ovoid form barrel length of 29" with leaf & ladder rear sight and swivel. Horn fore-end tip, steel grip cap, engraved action which is marked " Field London " & " Martini Henry Patent ". Later Mk IV type action with safety catch to rear of action. Steel butt plate. Chequered fore-end & wrist. One light chip to wrist/action joint area of stock. This rifle would clean-up well. Fair bore.	R 5500.00
F062	.577/450 Martini-Henry Sporting Rifle By Braendlin Armoury Co. Open sights to 28" barrel which is marked " The Braendlin Armoury Co. " Chequered wrist & fore-end. Rifle has been professionally refinished and is in excellent condition. Fairly good bore. The Braendlin Armoury Co. traded in Birmingham from 1871 to 1925.	R 6500.00
F063	.577/450 Martini-Henry Sporting Rifle By Midland Gun Co. Open sights to 26,5" barrel which is marked to " Midland Gun Co. ". Engraved receiver. Wrap-around chequering to both fore-end and wrist. Stock has been professionally " refreshed ". Metalwork in good original condition. Fairly good bore. The Midland Gun Co. was founded in 1889 and traded until 1965 when it was acquired by Parker-Hale Ltd.	R 6500.00
F064	.577/450 Martini Henry Sporting Rifle By E.M. Reilly - Scoped Fitted with Zenison 2,5x32 scope on side mount. Leaf & ladder rear sight to ovoid form 28" barrel. Engraved receiver with safety catch to action. Stock has horn fore-end tip and grip caps, wrap-around chequering to fore-end and wrist, steel butt plate. Very good refinished condition. Good bore.	R 11500.00

F066	.577/450 Martini-Henry "Zulu War" Carbine Right hand side of action marked "Crown V.R. Enfield 1879 1.C.1" The fore-end has provision for mounting a leather sight cover with the necessary two screws. Barrel length of 21". Rifle is complete and in good working order but the finish to the carbine is worn and has a brown patchy appearance. Fair bore.	R 4500.00
F067	.577/450 Witten Martini-Henry Service Type Rifle Barrel length of 33". Left hand side of action marked "Witten 1883" surmounted by crown trade mark. Good original overall condition. Poor bore.	R 4950.00
F068	.577/450 Martini Henry Service Type Rifle Standard service rifle configuration. Left hand side of action marked "Robert Hughes & Son's Makers London & Birmingham". Right hand side of butt has suffered some damage where it fits into the butt socket of the action, no doubt as a result of being shot when the securing bolt was loose. Some loss of finish to right side of action, rest of rifle in good original condition. Good bore.	R 4500.00
F069	.577/450 Martini Henry "Sporterised" Rifle Formerly a military type rifle, the fore-end of this rifle has been "circumcised" to give it a sporter type look. No makers name, 33" barrel, British commercial proofs. Some light pitting below the finish. Good overall condition, fair bore.	R 4250.00
F071	.577/450 Martini Service Type Rifle By LSA Co. Ex Rhodesian "BSA Co." Knox form of rifle has had the markings "B.S.A. Co." deleted indicating the rifle was formerly the property of the "British South Africa Co." owned by Cecil John Rhodes who opened up and developed Rhodesia in the late 1800's. This rifle came out of Rhodesia, now Zimbabwe, a number of years ago. Woodwork has been refurbished, metalwork in good original condition. Good bore.	R 5750.00
F072	.577/450 Westley Richards ZAR Rifle Dated 1898 to knox form, & "Made Specially For ZAR" to right side of action, "Westley Richards" to left hand side. "C.G" marking to top of receiver for Cape Govt. Unusual to find a rifle with both Cape Govt. and ZAR markings, this was no doubt a Boer war item that was subsequently taken into service by the Cape Govt. Rifle also carries UDF confiscation & disposal stamps to knox form. Rifle is in fairly good original condition and is complete with clearing rod. Good bore.	R 12500.00
F073	.303brit Martini-Enfield Service Rifle Left-hand side of receiver marked "Crown V.R. Enfield 1896 M.E. .303 1". Right hand side of receiver marked "Crown V.R. 1880". Enfield cartouche to butt as well as "sold-out-of-service" adorsed arrows. Rifle is in good original condition overall but for poor bore.	R 3950.00
F074	7x57mm Boer Mauser Carbine Pre - 1898 Manufactured by DWM, serial no. 6255 indicates the 3rd shipment of DWM rifles & carbines. Rifle has been fitted with a replacement stock, possibly a cut-down rifle stock. Includes leather sling. Barrel length of 18". Good refinished condition but for wear to bore.	R 7500.00
F075	.45-75cal Winchester Mod 1876 "Afrika" Sporting Rifle Pre - 1898 Second model rifle with dust cover rail attached by two screws, putting production date between 1877 & 1882. Octagonal 27,75" barrel with "Afrika" styled leaf & ladder rear sight, consisting of 6 leafs and a folding ladder rear sight. Full-length tubular magazine, blade front sight, straight grip to American walnut stock, curved iron butt plate. Rifle has been professionally refinished and still features crisp barrel markings. Rifling fair.	R 37500.00
F076	7.92x57mm "KS" Mauser Gew 98 Service Rifle The "KS" rifle was issued only to the "Kaizerliche Schutztruppen" in German Southwest and East Africa and differed from the standard Gew 98 in having a turned down bolt handle and a rear sight commencing at 200 rather than 400m for the shorter involved in the bush war. Receiver ring is marked "Spandau 1900" and also "L.P. 273" indicating issue to the German South West "Landes Polizei". Receiver wall is marked "Gew 98". Matching numbers to barrel, receiver and magazine box. Stock carries the "K.S." butt roundel. Turned down bolt handle and cut-out to stock for it. Good overall condition but for expected wear to bore.	R 25000.00
F077	7.92x57mm Mauser "Gew 98" Service Rifle Manufactured "Waffenfabrik Oberndorf Mauser 1917". Standard German service rifle of WW1. Poor to fair bore.	R 8500.00

F078	7.92x57mm Mauser "Kar 98" Service Rifle	R 9500.00
	Receiver carries the code "C.E. 41" indicating manufacture by "J. P. Sauer & Sohn of Suhl 1941". Standard German service rifle of WW2. Matching numbers to bolt, receiver, barrel and magazine box. Walnut stocked variant. Includes issue leather sling. Waffenamt "WA" inspectors stamp to barrel as well as Nazi eagles to both barrel & receiver. There is expected wear to finish on barrel & receiver but good overall condition. Fair bore.	
F079	.303br Lee-Enfield L.E. 1* Service Rifle	R 12500.00
	Butt socket marked "Crown V.R. Enfield 1* 1890". Rifle has a ribbed fore-end, eight round magazine box, front & rear volley sights. Rifle is fitted with a brass cartouche to the butt and is marked "3.1900 DMR" and butt itself carries the Enfield marking and also a DMR mark which stands for "Durban Mounted Rifles". Magazine has been refinished at some stage and has light pitting below the surface. A "WR" serial number has been professionally applied to top of receiver. Butt, butt socket and receiver ring are marked "2" for a 2nd condition rifle. Expected wear to the bore, balance of rifle in good original condition but for refinished magazine.	
F080	.303br "Long Lee" LE 1* Service By Enfield	R 5750.00
	Butt socket marked "Crown V.R. Enfield 1901 L.E. 1*". Rifle is complete with both front & rear volley sights and does not feature the post Boer war sight upgrade. Regimental markings to brass butt plate. Rifle is complete in all respects and the stock has been professionally refinished. Good condition overall, poor to fair bore.	
F081	.303 "Long Lee" L.E.1* Target Service Rifle	R 5500.00
	Butt socket marked "Crown E.R. BSA Co. 1902 L.E.". Equipped with Parker-Hale PH5A target peep sight with adjustable diopter. Post Boer war sight upgrade. Poor to fair bore.	
F082	.303br C.L.L.E. Service Rifle By BSA	R 5750.00
	Rifle manufactured by BSA Co. carries UDF markings to top of receiver and has the post-Boer war sight upgrade. Safety catch to end of bolt. Metalwork in good original condition, woodwork has been professionally refurbished. Good to good plus overall.	
F083	.303br Sht.L.E 1 Service Target Rifle	R 7500.00
	Manufactured Enfield 1905 and fitted with A. G. Parkers target peep sight which folds both horizontally and vertically. Rifle has a period replacement fore-end with armorer's inserts to where the charger guide would be positioned. Fore-end has the period volley fore sight fitted. Bolt head has the sliding charger guide to it and rounded windage ears to the rear sight. Brass roundel to butt. Fair bore, leather sling fitted. Expected usage dings to woodwork, good overall condition.	
F084	.303br P-14 Service Target Rifle By ERA	R 4500.00
	Equipped with Patt. 14 target peep sight with adjustable diopter. Good original condition. Fair bore.	
F085	.303br S.M.L.E. No.1 Mk3 By BSA Co.1915	R 5500.00
	Butt socket marked "Crown G.R. BSA Co. 1916 Sht. L.E. III". Rifle includes issue webbing sling and has provision for mounting a Parker-Hale PH5A target peep sight to left hand side of receiver. Rifle has been rebarreled "8/60" and is in good overall condition with good plus bore.	
F087	.303br Lee Enfield No. 4 Mk1* Service Rifle	R 4500.00
	Manufactured by "Long Branch" of Canada 1942. Rifle is in a good original condition but for drilling & tapping to receiver and missing ejector screw. Fair to good bore.	
F088	.303br No. 4 Mk2 Service Rifle By Fazakerley	R 5500.00
	Manufactured March 1950 by ROF Fazakerley for a contract placed by the UDF. Good to good plus original condition.	
F089	.303br Lee Enfield No. 4 Mk2 Service Rifle	R 5500.00
	Manufactured ROF Fazakerley 8/49. UDF ownership stamp to receiver ring. Very good condition.	
F090	6.5x58mm Portuguese Mauser M1904 Service Rifle	R 3950.00
	Matching numbers to bolt, receiver & magazine box. Rifles produced by DWM. King Juan Carlos 1st Crest & UDF marking to receiver. Gifted from the Portuguese and issued to UDF forces for use in German Southwest campaign 1915. This is a particularly scarce rifle because the Portuguese converted all of their M1904 rifles in the 1930's to 8mm K98 configuration terming the converted rifle the 904/M39 rifle. Rifle is unusual in that it has what appears be a factory turned-down bolt handle. Most of the M1904's have straight handles. Good original condition with good bore.	
F091	6.5x58mm Portuguese Mauser Mod 1904 Service Rifle	R 3250.00
	Matching numbers to bolt, receiver & magazine box. King Juan Carlos 1st Crest & UDF marking to receiver. One the 20 000 rifles gifted from the Portuguese and issued to UDF forces for use in German Southwest campaign of 1915. This is a particularly scarce rifle because the Portuguese converted all of their M1904 rifles in the 1930's to 8mm K98 configuration terming the converted rifle the 904/M39 rifle. Very good original condition. Fair to good bore.	

F092	6.5x58mm Portuguese Mauser Mod 1904 Service Rifle	R 2950.00
	Matching numbers to bolt, receiver & magazine box. Rifles produced by DWM. Cleaning rod included. King Juan Carlos 1st Crest & UDF marking to receiver. Gifted from the Portuguese and issued to UDF forces for use in German Southwest campaign 1915. This is a particularly scarce rifle because the Portuguese converted all of their M1904 rifles in the 1930's to 8mm K98 configuration terming the converted rifle the 904/M39 rifle. Good original condition. Fair bore.	
F093	6.5x58mm Portuguese Mauser Model 1904 "Vergueiro" Service Rifle	R 2450.00
	Rifle carries both UDF serial number and original serial number. Number on bolt does not match up with rest of rifle, otherwise good original overall. Fair bore.	
F094	6.5x58mm Portuguese Mauser Mod 1904 "Vergueiro" Rifle	R 2450.00
	Rifle displays some carrying wear to barrel & receiver. Number on bolt does not match up with rest of rifle, otherwise good original overall. Fair bore.	
F095	7.62mm Israeli Mauser K98 Rifle	R 6500.00
	Manufactured by FN post WW2 for the IDF with Israeli Crest to the receiver. Excellent bore, very good overall condition.	
F096	.303br S.M.L.E No.1 Mk3* Service Rifle	R 3250.00
	Butt socket marked "Crown G.R. B 1941 Sht. L.E III*" indicating a refurb of the rifle in 1941. Beechwood stock. Good overall condition but for missing safety catch. Fair bore.	
F097	.303br S.M.L.E No.1 Mk3* Service Rifle	R 2950.00
	Butt socket marked "Crown V.R. Enfield 1917 Sht. I.E. III*". Rear sling swivel and safety catch missing, rest good original exterior condition, poor bore.	
F098	.303br Patt.14 Service Rifle.ERA Manufacture	R 2950.00
	Receiver drilled & tapped for scope mounts, rear sight removed. Fair to good overall.	
F099	.303br Lee Enfield No.4 Mk2 Service Rifle	R 5500.00
	Manufactured ROF Fazakerley 7/48. A postwar contract rifle ordered by the UDF. Some wear to finish on high spots, rest good original condition. Good bore.	
F100	.303br Lee Enfield No.4 Mk2 Service	R 4500.00
	Manufactured ROF Fazakerley 2/50. A post WW2 contract rifle ordered by the UDF. Good original condition. Fair bore.	
F101	.303br Lee Enfield No.4 Mk2 Service Rifle	R 3850.00
	Manufactured ROF Fazakerley 8/49. A post WW2 contract rifle ordered by the UDF. Some light dings/scratches to woodwork, overall good original condition, fair bore.	
F102	.303br Lee Enfield No.4 Mk1 Service Rifle	R 3250.00
	Manufactured Savage 1942. A lend-lease rifle. Action drilled & tapped for scope mounts, rear sights removed. UDF marked receiver. Good overall condition, fair bore.

Conditions of Sale

The following Terms and Conditions as amended by any postal notice or verbal announcement during the sale, constitutes the entire terms and conditions under which the property listed in this catalogue, is offered for sale by Classic Arms and any consignor for the said property that we act for.

- 1) As used herein, the "bid price" shall mean the price at which a lot is knocked down by the auctioneer, to a purchaser and the term "purchase price" shall mean the aggregate of:
 - a) The bid price,
 - b) **A PREMIUM PAYABLE BY THE PURCHASER OF 12,5% OF THE BID PRICE, + VAT at 15% thereon (i.e. a total premium of 14.375%)**
 - c) And where specifically stated by the auctioneer VAT at 15% of the bid price. It is recorded that the consignor has authorised Classic Arms to retain the premium payable on each lot as part of our remuneration and that the VAT payable on such premium is in addition to such premium.
2. On the fall of the Hammer the highest bidder will have been deemed to have purchased the lot being offered and to have:
 - a) assumed full responsibility and liability for the ownership of that lot in accordance with the terms and conditions contained herein
 - b) to undertake to settle the aggregate purchase price within a maximum of seven calendar days from the date of sale.

In the case of all firearms it is specifically recorded that the purchaser is deemed to have assumed full liability for ownership and payment in accordance with the terms and conditions contained

herein irrespective of the granting or not of a South African Police Services licence or permit for possession of the said lot. All lots requiring licences shall be retained by Classic Arms pending proof of issuance of said licences

Should a licence for any lot, for any reason whatsoever, be declined, then the purchaser may require Classic Arms or a registered arms and ammunition dealer of the purchasers choice to resell such lot on the purchasers behalf. Such sale shall be conducted against the prevailing terms and conditions of the chosen dealer at time of resale and, irrespective of the Auction purchase price, at the price determined in agreement with the auction purchaser and the dealer

It is specifically noted that Classic Arms may in no way be held liable for a shortfall if any, between the auction purchase price and the resale price.

Under no circumstances shall any lot requiring SAPS licensing be released to any person or body not duly authorised to be in legal possession of said lot, and unless all monies due have been settled in full and in accordance with the terms and conditions contained herein.

No lots shall be deemed to have been paid for until all monies due have been delivered in cash or in Bank Cleared funds.

All purchases may be paid for in cash, by Master Card or VISA, American Express or Diners Club International, or by cashiers. or Bank Guaranteed Cheque. **A further premium of 5% of the aggregate purchase price including VAT thereon will be levied for all Credit or Charge Card settlements.**

No cashier's cheque will be deemed to constitute payment until the effects thereof have been cleared into the Classic Arms Trust Account.

If the foregoing or any other conditions contained herein are not complied with by the purchaser, in addition to any other remedies available to us and the consignor by law, including but without limitation to, the right to hold the purchaser liable for the purchase price, then we at our sole discretion may:

- a) cancel the sale, retaining as liquidation costs any amounts paid by the purchaser,
- b) resell the property.

3. All payments to be made within 7 days. Property sold at auction and not paid for in full or collected, within Six (6) elapsed Months from the date of the auction, shall be deemed to be abandoned UNLESS OTHERWISE NOTIFIED.

The auctioneer reserves the right to dispose of the property in any manner he sees fit and recover reasonable administration and/or storage costs from the disposal of said property and/or the purchaser.

No subsequent claim arising from such a disposal shall be entertained and the auctioneer may not be held liable for any losses incurred by either the consignor or purchaser, or any other party, in this regard either publicly or privately and in such event to hold the purchaser liable for all costs including our commission and expenses for both sales, all other charges due hereunder, our attorneys fees and incidental charges.

All fees commissions, bid prices and duties not settled promptly by the purchaser in terms of this clause 2 shall bear interest at South African Bankers prime lending rate plus 3 percent from the seventh day following the sale until settlement is received in full.

In the event that a purchaser does not effect collection within six (6) months of the sale date, of any item purchased, Classic Arms reserves the right to charge a storage fee of ZAR 150-00 per calendar month or part thereof. Such fee being payable monthly in advance from the first day of the month within which the six (6) month period shall expire. In the event that the purchaser fails in his obligation to Classic Arms to pay such fee, Classic Arms, may at its own discretion, resell such item to recover such fee.

4. **We reserve the right to withdraw** any property at any time prior to the actual sale of such property. Unless actually stated by the auctioneer, all lots shall be offered against their catalogued number and no lot shall be divided for sale.

5. **We reserve the right to reject any bid.** The highest bid acknowledged by the auctioneer shall be deemed to be the final bid price. In the event of any dispute between bidders or, if in the sole opinion of the auctioneer he doubts the validity of a bid, the auctioneer shall have the sole right to determine the successful bid or to re-offer the property in dispute for sale. Our sale records shall be conclusive in any dispute during or after conclusion of the sale.

6. **If for any reason beyond our control**, including but not limited to, fire, theft, acts of God, or insurrection, we are prevented from delivering the property to the purchaser, then we will be liable only for the sum actually paid therefore by the purchaser and shall in no event include payment for consequential or incidental damages.

Classic Arms accepts no liability for any losses of whatsoever nature caused by any legislative changes in regard to the possession, by individuals or bodies, of firearms or ammunition.

7. **If a lot is offered subject to a reserve** (this being the confidential minimum price required by the consignor) then Classic Arms reserves the right to open the bidding or to bid on the consignor's behalf in order to protect such reserve.

Classic Arms shall not bid on the consignor's behalf above such reserve. IN NO EVENT MAY

A CONSIGNOR BID ON ANY PROPERTY OFFERED FOR SALE BY SAID CONSIGNOR

8. **All lots are sold "Voetstoets"**. ALL STATEMENTS CONTAINED IN THE CATALOG OR IN ANY SALE DOCUMENTATION AS TO THE AUTHENTICITY, VALIDITY, AUTHORSHIP, PERIOD CULTURE, SOURCE, PROVENANCE, RARITY, CONDITION, IMPORTANCE OR HISTORICAL VALUE, ARE STATEMENTS OF OPINION AND ARE NOT REPRESENTATIONS OR WARRANTIES. NOT WARRANTY IS GIVEN AS TO ACCURACY OF RIFLES OR CLARITY OF OPTICS.

9. **If we undertake packaging** or handling of any lots on the purchaser's behalf it is done so entirely at the purchaser's risk. We are not liable for any acts or omissions of carriers or packers including those recommended by us. Such carriers or packers may carry their own insurance and any claims for loss or damage should be addressed directly to them.

10. **These Conditions of Sale** and the respective rights of the purchaser and Classic Arms, are governed by the laws of South Africa. By bidding at an auction in person, or by agent, order-bid or telephone or other means, the buyer or bidder agrees to be bound by these *Conditions of Sale*. Any dispute controversy or claim arising out of or relating to this Agreement, or the breach, termination or validity thereof, brought by or against Classic Arms (but not including claims brought against the consignor by the purchaser of the lots consigned hereunder) shall be resolved by the parties in 10.

These *Conditions of Sale*, shall bind the successors and assigns of all bidders and purchasers and inure to the benefit of successors and assigns. No waiver amendment or modification of the terms hereof (other than posted notices or oral announcements during the sale) shall bind us unless specifically stated in writing signed by us.

11. **Absentee Bids.** As a service to those bidders that are unable to attend the actual auction, we may at our sole discretion accept bids in advance of sale by telephone, or in writing on the bidding forms provided in the back of the sale catalogue.

Please note that we cannot accept "buy" bids and all bids must clearly state the maximum (excluding buyers premium and any applicable taxes) bid that the bidder is willing to pay. In the event that identical absentee bids are received then the first bid received shall take. We accept no responsibility for not executing an absentee bid for any reason whatsoever.

12. **Estimate prices.** As a service to our clients, we furnish presale estimates for all lots. These estimates are intended as a guide to current market value and represent no warranty to bidder or seller as to the actual price. Bidding normally begins at 50% of the estimate but the final price may be more or less than the estimate value.

13. **Sale Increments.** The following increments apply to all lots bid for. Please note that the auctioneer will increment the purchase price at these rates and not at any rate bid from the floor. By bidding, a prospective purchaser acknowledges these increments.

0 - 500	R 50-00 increments
501 - 1999	R 100-00 increments
2,000-4,999	R 250-00 increments
5,000-9,999	R 500-00 increments
10,000-19,999	R 1,000-00 increments
20,000 >	R 2,500-00 increments
